7th April 2017

DIRECTION NO. 8

It has been brought to my attention that during a practice match of the Delhi Daredevils at Kotla on Thursday, 4th April from 1900 to 2200 hrs, the sprinkler system installed for the ground suddenly started sprinkling water. It is unclear why this transpired. This incident should not repeat itself during any of the IPL matches.

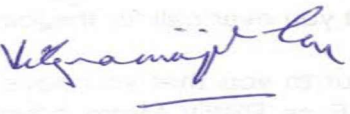

In these circumstances, an enquiry be conducted by the following persons:

- a. Mr. Siddharth Sahib Singh, Cricket Operations Incharge, IPL
- b. Ms. Ruhi Kalsotra, Advocate
- c. Mr. Ankit Dutta, Curator

Please provide me a report after hearing the concerned employee/s on 10th April 2017 so that I may take necessary action.

Kindly put this on the Notice Board.

Yours sincerely,

Justice (Retd.) Vikramajit Sen
