

MINUTES OF MEETING OF THE CRICKET AFFAIRS COMMITTEE OF DELHI & DISTRICT CRICKET ASSOCIATION HELD ON SEPTEMBER 16, 2017 AT FERZZESHAH KOTLA STADIUM CONFERENCE HALL

Time of the commencement of the meeting: - 12:00 NOON

Time of the conclusion of the meeting: - 12:30 PM

List of the Members who attended the Meeting: -

- a. Shri Madan Lal, Chairman, Cricket Affairs Committee, DDCA
- b. Shri Sunil Valson, Member, Cricket Affairs Committee DDCA
- c. Shri G. S. Vivek, Member, Cricket Affairs Committee DDCA
- d. Smt. Amita Sharma, Member, Cricket Affairs Committee DDCA

1) The Cricket Affairs Committee deliberated on the email received by the manager of under-19 team stating that the physio Mr Santosh Jha hasn't reported yet. The CAC felt a clear communication from the DDCA must be sent to him, either through email or a call, to get the exact status of his availability. Further, if there is no response from Mr Jha till Wednesday or he cannot join the team by this week, CAC decided it is best to appoint Mr Gajendar as the physio.

2) The CAC decided to reiterate that except coaches of senior team (men and women), all age group coaches will not part of selection committee meetings henceforth--- either short-listing or final squad. An advance notice has to be sent to CAC and/or Lead Administrator's office and a representative will be present with them as an observer. However, the coaches of respective teams can provide their inputs to the selectors prior to the meeting.

3) The CAC was apprised by the Lead Administrator regarding the 'ineligibility' of Ms Neeraj Kapoor, who was appointed as manager of Senior women's team. The committee decided to upgrade Ms Sushma Chaudhary as the manager of senior team and appoint Ms Meenakshi Gupta as the under-19 team manager.

4) CAC was also apprised of certain objections regarding Ms Deepti Dhyani and Ms Asha Rawat playing some unauthorized cricket tournaments. The CAC felt since there is no objection from BCCI on that respect, and the response sought from Ms Rawat and Ms Dhyani was satisfactory, the CAC decided to close the matter.

5) A clarification was sought by chairman of Delhi senior selection committee Mr Atul Wassan regarding the availability of some under-19 cricketers to be picked for Ranji side. This was in the view that under-19 world cup is scheduled early next year, and the players should not miss out on a chance to play the world cup if they don't play under-19 age group to technically qualify. The CAC decided that since it is a very important and sensitive issue, it was best that Mr Sunil Valson speak to chairman of junior national selectors Venkatesh Prasad and coach Mr Rahul Dravid to seek clarity of rules, and revert to Mr Wassan on the same.

6) DDCA will be hosting the T20 against NZ and a Test against SL, forcing DDCA to shift two of its home match to another venue. The CAC decided to ask the team coach Mr KP Bhaskar to shortlist alternate venues, and send the curator to seek a detailed report on the ground conditions.

7) The CAC felt that open trials/camp for Delhi under-14 and Girls under-19 should commence from October 6 or earlier, since their respective tournaments begin in November, providing them sufficient preparation time.
