

DDCA would like to do the complete energy audit for all its installation including AC Plants, Electrical installations etc. The broad scope of work is as follows.

1. Study of existing electrical system including routing and sizes of cable.
2. Recommendation for additional cables for loads.
3. Checking Voltage drops & current carrying capacity of existing cables/system.
4. Energy audit of following system:
 - A. General Lighting
 - B. External Lighting
 - C. Sports/Tower lighting
 - D. Lifts & other electrical equipments
 - E. HVAC
 - a. AC Plant
 - b. Utilized Air Conditioners
5. Water Pumping System

Certified Engg. Companies having relevant experience in conducting such audits & can advise on the measures required to be undertaken for optimum utilization of electricity, can submit their proposal in a sealed envelope in the tender box gate no.5 at DDCA latest by 28/11/2018 at 2 pm & opening of tender at 2.30 pm.

Interested parties may visit DDCA office to have first hand information about the site(s) after fixing appointment with Mr.Ajay Kr.C hourasia (9311575411)/Mr.S.P.Meena (9910573953)
