## ANNEXURE 'A'

### SCOPE OF WORK: UP-GRADATION OF HI MAST LIGHTS TO MEET THE LIGHTING LEVELS (LUX) OF PLAYING GROUND AS PER BCCI GUIDELINES

#### Option 1

New Light design, keeping the number of light fixtures 96 or less per mast. 2 KW high flux fixtures to be used. High lumen output fixtures to be used to keep up with future lux level deterioration. Replace the lighting system with new system (light fixtures along with accessories and lamps). Existing high mast structure to be used.

Replacing all of the lighting fixtures with HF lamp and specialized design and aiming the lux level as per BCCI standards.

Description of Work: Supply, installation and testing of 2KW Flood lights, Lamps, Chokes, Igniters and capacitors along with lighting design and aiming of fixtures to improve the lux levels. Realignment and leveling of High Masts

Warranty : Fixture, Choke, Ignitor and capacitor - minimum 1 year

Flood Light – Phillips, GE , Abacus

Lamps - Phillips / Osram

Technical Specifications :The bidders must give the Name of Brand, Place of Manufacturing and complete technical details of all the items to be supplied and consumed in execution of works.

Fixture: Fixture should be suitable for 2KW double ended metal Halide lamp. Fixture body should be Die cast aluminium corrosion resistant housing, fixture should have heat resistant and toughened glass cover along with heat resistant silicon rubber gasket, M S Mounting cradle and SS Mesh for safety. Re-lamping should be from back side for ease of maintenance. Should have minimum IP65 protection against dust and water. Reflector should be electrochemically brightened and high purity anodized aluminum reflector having 99.85% efficient light distribution.

Lamp : 2KW Double ended Metal Halide lamps should fit in the existing fixtures without disturbing the Photometry of fixture , have minimum lumen output of 230000 and avg life of 4500 hrs . The choke, Igniter and capacitor should be compatible with new lamps and existing fixtures and can be mounted in existing panels

#### BOQ

Sr. No	Item	Quantity	Rate
1	SITC of Flood light on existing high masts suitable for 2KW metal halide double ended lamp. Die cast aluminium corrosion resistant housing, fixture should have heat resistant and toughened glass cover along with heat resistant silicon rubber gasket, M S Mounting cradle and SS Mesh for safety. Re-lamping should be from back side. IP65.	As per lighting company design but $\leq 384$	
2	SITC of 2KW Double ended Metal Halide lamps should fit in the existing fixtures without disturbing the Photometry of fixture, have minimum lumen output of 230000 and life of 4500 hrs	As per design	

3	SITC of 2060W MH 380/400/415V 12.2A ballast compatible with above mentioned 2KW Lamp	As per design	
4	SITC of Capacitors 65 mfd 440V, 105 Deg C ,Aluminium can body with mounting stud, compatible with above mentioned 2KW Lamp	As per design	
5	Removal and storage of old fixtures, ballast and capacitors.	1 Lot	
6	Light Design, Fixture aiming to achieve required lux level, alignment and leveling of high masts.	1 Lot	

### Spares

Sr. No	Item	Quantity	Rate
1	Flood light suitable for 2KW metal halide double ended lamp. be Die cast aluminium corrosion resistant housing, fixture should have heat resistant and toughened glass cover along with heat resistant silicon rubber gasket, M S Mounting cradle and SS Mesh for safety. Relamping should be from back side. IP65.	5	
2	2KW Double ended Metal Halide lamps should fit in the existing fixtures without disturbing the Photometry of fixture, have minimum lumen output of 230000 and life of 4500 hrs	10	
3	2060W MH 380/400/415V 12.2A ballast compatible with above mentioned 2KW Lamp	10	
4	Capacitors 65 mfd 440V, 105 Deg C ,Aluminium can body with mounting stud, compatible with above mentioned 2KW Lamp	20	
5	Igniter with 6KV peak, SIP Igniter with current of 12 amp, compatible with above mentioned 2KW Lamp	10	

### Option 2

Replacement of lamps with high flux lamps and suitable ballast, capacitor and igniters.

Fresh light design and aiming considering

- profiles and beams of existing lighting fixtures
- lumen output of high flux lamps
- accounting for depreciation of existing reflector profiles.

Description of Work: Supply, installation and testing of Lamps, Chokes, Igniters and capacitors along with complete job including aiming of fixtures to improve the lux levels & Realignment of High Masts

Warranty: Choke, Ignitor and capacitor – minimum 1 year

Makes: Compatible with existing system (must meet standard quality)

Lamps - Phillips / Osram

- The Work shall be completed on or before 28<sup>th</sup>Feb, 2019.
- The DDCA will impose a penalty @ 1% of contracted value for each day's delay, if the Work is delayed beyond the stipulated period. However, the successful Bidder may request for extension of time if the reasons are genuine. Such extension of time may be granted by DDCA at its sole discretion.
- Security deposit shall be released to the Bidder after defect liability period of 2 (Two) months from the date of completion of Work.
- The successful Bidder shall take all precautions and safety measures for all Workers/labourers etc. which are to be engaged by it for execution of said Work. The successful Bidder shall be solely responsible for any liability towards workmen or any person that may arise on account of the performance of the Work by the successful Bidder at site.
- The Work shall be executed with high degree of workmanship & conform to the approved norms, standards and specifications for the materials and Workman ship.
- The successful Bidder shall indemnify and keep DDCA indemnified against all losses and/or claims for loss of property, loss of life and/or injury to any person, that may be occasioned by any act of omission and / or commission on the part of the successful Bidder or its servants, agents, employees, representatives etc. qua the Work whether during the execution of the Work or subsequent to the execution of the Work.
- The goods/ services provided by the successful Bidder shall be of the best quality. In case of any defect / deficiency in goods/ services constituting the Work or in case of the Work is not of quality acceptable to DDCA, then without prejudice to any other right of DDCA, the amount payable to the successful Bidder shall be appropriately-deducted.

- It will be the responsibility of the successful Bidder to obtain work completion reports from officer/unit/section concerned in DDCA. In the absence of the delivery report, no payment will be released.
- The successful Bidder shall be responsible for safe delivery & installation of items at the FirozShahKotla Ground.
- The successful Bidder shall be responsible for all charges and expenses including, but not limited to, Installation charges. No charges shall be paid over and above the amount that may be mentioned in the Work Order.
- The successful Bidder shall be responsible for the payment of wages/ settlement of dues, all statutory payments in respect of the workers engaged by the successful Bidder. DDCA will not be party to any dispute between successful Bidder and its workers
- The payment will be made to successful Bidder AS PER AGREED TERMS. Bill shall be accepted along with the report of the authorized person of DDCA that the work has been completed to his satisfaction.
- The rates of items of Work shall be applicable for all heights and depths unless otherwise specified in the item, wherever applicable.
- The successful Bidder shall obtain and keep in force throughout the term of the agreement, necessary / valid license from the concerned Licensing authorities as per applicable statutes and the rules framed there under and furnish the same to DDCA before commencement of the Work.
- The Successful Bidder to whom work order is issued shall abide by the instructions as may be issued to it by the Department-in-Charge from time to time.
- DDCA has right to increase/decrease the Work quantity by 20%.
- Force Majeure shall mean and be limited to the followings:
  - a) Any war or hostilities,
  - b) Any riot or civil commotion,
  - c) Strikes lasting for more than 10 days.
  - d) Any earthquake, flood, tempest, lightning or other natural physical disaster, impossibility of the use of any Railway, Airport, shipping Services or other means of transport.

During the period of Force Majeure the respective rights and obligation of the parties shall remain suspended. DDCA shall have the sole and exclusive right to

determine whether force majeure event has occurred and the period of continuance thereof.

- The successful Bidder shall not employ for execution of work any person below the age of 21 years.
- If at any time, any question, dispute or difference arises between the DDCA and the successful Bidder under/or in connection with the contract, either party shall as soon as reasonably practicable give to the other notice in writing of the existence of such question/dispute or difference specifying its nature and the point of issue and the same shall be referred for arbitration of sole Arbitrator to be appointed by DDCA and the decision of such Arbitrator shall be binding on both the parties i.e. DDCA and the successful Bidder.

The venue of arbitration shall be Delhi.

The Language of arbitration proceedings shall be English

Execution/Performance of the Work shall continue during the arbitration and any subsequent proceedings. Arbitration proceedings are not required to be resorted to for termination of the Quotation.

- The Law governing rights and obligations of the parties shall be the Indian Law of Contract.
- DDCA reserves the right to cancel or reject any or all the quotations without assigning any reason whatsoever.
- The Prospective Bidder shall furnish its quotation for the items as set out in Annexure – A.
- Termination of Contract - During the currency of the agreement between DDCA and the successful Bidder, the DDCA shall have the right to terminate the agreement if it is not satisfied with the performance of the Bidder by giving it 3 days' notice in writing. For this purpose, the DDCA shall be the sole Judge to decide whether the performance of the Bidder is satisfactory or not and such decision of the DDCA shall be final, conclusive and binding on the Bidder and the Bidder shall not be entitled to any compensation in that regard. Furthermore, on account of termination of the agreement, the Bidder has to remove its employees from DDCA site, & it shall be the responsibility of the Bidder to pay the legal dues to its employees. In the event of noncompliance of legal requirements by the Bidder, it shall be solely liable for all the costs and consequences

arising from such non-performance. The termination of the contract by DDCA shall be without prejudice to any its rights under the law.

- DDCA can change/ modify the scope of work, terms/conditions of contract etc at any time at its discretion & the same will be binding on the Bidder& same will not be challenged byBidder.
