NOTICE

Subject: Mandatory DigiLocker Account Creation and Aadhaar Verification for Online Player Registration

All Delhi cricketers and DDCA-affiliated clubs are hereby informed that, henceforth, the registration of players for participation in the DDCA League and various DDCA Age-Group Tournaments will be carried out exclusively through the online registration system.

Accordingly, all players intending to participate in the DDCA League or any DDCA age-group tournament are required to create an account on the DigiLocker platform and link their Aadhaar Card for verification purposes.

1. Steps to Create a DigiLocker Account

Step 1: Install DigiLocker

- Open Google Play Store (Android) or Apple App Store (iPhone).
- Search for DigiLocker.
- Download and install the official DigiLocker application published by the Government of India.

Step 2: Create Your Account

- Open the DigiLocker application and click on Sign Up.
- Enter your name, date of birth and other required details.
- Enter your mobile number and verify it using the OTP received.
- Create your security PIN and complete the registration process.

Step 3: Link Your Aadhaar Card

- Log in to your DigiLocker account.
- Navigate to the Search Documents section.
- Search for Aadhaar Card and select UIDAI as the issuing authority.
- Enter your 12-digit Aadhaar number.

- Provide the required consent and proceed with verification.
- Enter the OTP received on your Aadhaar-registered mobile number to complete the verification.

Step 4: Confirm Aadhaar Linking

- After successful verification, your Aadhaar Card should be available under the Issued Documents section.
- Ensure that your Aadhaar details are successfully linked and accessible in your DigiLocker account.

Players may also refer to tutorials available on YouTube for further assistance with DigiLocker installation and Aadhaar linking.

3. Important Instructions

1. All player registrations will henceforth be processed online through their respective DDCA-affiliated clubs.
2. Players must create their DigiLocker accounts and link their Aadhaar Cards before approaching their respective clubs for online registration.
3. DDCA-affiliated clubs are required to ensure that their players complete the above formalities to avoid any inconvenience or delay during the registration process.
4. Aadhaar verification through DigiLocker will be an essential requirement for online player registration.
5. Players must ensure that their mobile number registered with Aadhaar is active to receive OTPs during verification.

All DDCA-affiliated clubs are requested to circulate this notice among their registered players and ensure that the information reaches all concerned.

All players intending to participate in the DDCA League or any DDCA age-group tournament are advised to complete the above process at the earliest to facilitate smooth and hassle-free online registration.
